

Rules and regulations

In giving you a warm welcome,
Camping Bergamini wishes you
a pleasant stay and kindly asks you
to follow the rules below

Lighting fires is not permitted.

Guests are asked to carefully look at the emergency plan
displayed in the camping and to identify
the location of the fire extinguishers.

Motor vehicles must drive by slow within the camping site.

Motorcycles must be accompanied by hand
and with their engine off.
We advise cyclists to proceed carefully
within the site.

Car washing is not permitted.

Guests are kindly asked to be silent
and to avoid any loud noise (televisions, radio, stereo,
musical instruments, noisy gatherings),
from 1.00 pm to 3.00 pm and from 11.00 pm to 7.00 am
including in the swimming pool during opening hours.

Barbecues are permitted, with consideration to people nearby.

For obvious security reasons, we strongly advise you to find
the location of the closest fire extinguisher before starting,
to extinguish the coals at the end and to throw them away
in the appropriate waste disposal containers.

**Day visitors are admitted only
after providing an identity document.**
For visits of the duration of more than one hour,
by 8 pm at the latest, the day tariff will be charged.
Visitor vehicles must be parked
outside the camping.

**The main car gate closes at 11.00 pm,
while the pedestrian gate is always open.**

If returning after the above time,
vehicles must be parked outside
of the campsite to avoid disturbing
the tranquillity of all guests.

**Chemical WC for camper and caravan
must be emptied only in the designated area
at the end of the toilet building,**

taking care to wash with plenty of water
and should **NEVER** be emptied in the fountains
or in the toilets or in the water collecting grills
available in the pitches.

We kindly ask our guests to behave
well and correctly towards everyone at all times.
The management is always available
for any clarification or problem resolution.
