

Rules and regulations for guest with pets

We warmly welcome you to Camping Bergamini and wishing a pleasant stay we kindly ask to follow the rules below

Inform of any pets at the time booking and upon arrival. **Pets are welcome** on the pitches (maximum of two pets) and accommodations (maximum of one pet).

Pets must have their health records with them, showing that all vaccinations envisaged by the Italian Law have been carried out. For Italian residents: dogs have to be microchipped by the National Canine Records Office.

For respect of the animals and of the other guests, **it's the duty of the owners to ensure full compliance with health and hygiene regulations** during their pet's stay. While staying on the campsite, dogs must always be accompanied for relieve themselves and owners have to remove the excrements immediately using a special bag and the containers provided.

Dogs must always be kept on a lead, maximum of 1.5 m long and owners must have a suitable sized muzzle with them at all times to be used as needed or when requested by the competent authorities. *(Minis. Ord. 03.03.2009)*

An external "dog shower" is available, shown on the map of the campground. We kindly ask to not take and shower dogs inside the toilet facilities.

For your dog's security: **they may not be left unattended** in camping pitches or accommodations.

For everyone's peace of mind, it's the responsibility of **the owners to ensure that their pets do not disturb other guests.**

We inform our kind guests that owners are **fully responsible for damages caused by their dogs** to third parties and to the Camping facilities.

The Camping management is always available for any clarification or problem resolution.
